KEYSTONE SYMPOSIA
Accelerating Life Science Discovery

Abstract Submission Guidelines

• All abstracts submitted before the short talk deadline will be considered for both a short talk and poster presentation.

• One abstract per meeting per person.

• No duplicate abstracts accepted for a standalone or joint meeting.

• The submitter is also the presenter, if chosen for a short talk.

• No comments or image boxes in the text of the abstract.

• Abstract title in title case.

• All abstracts submitted for a short talk, poster presentation, and scholarship are reviewed by the meeting scientific organizers and acceptance is based on scientific content and relevance to meeting topics discussed in the program.

• **Consideration for short talk, poster presentation, and scholarship requires the authors and their affiliations to be included in the Text field above your abstract, with a limit of 500 words.
We will reach out via email regarding Abstracts that do not meet our formatting guidelines.

Example: Submitting Author[1,3], Co-Author[1,2], Co-Author[2], Co-Author[1*]
[1]Institute or Organization; [2]Institute or Organization; [3]Institute or Organization
