KS Connect App *Quick Start Guide*

To get started, download the KS Connect App by tapping the appropriate icon for your device.

After downloading the app, follow the steps below:

1.

Upon loading the app, you will be prompted to login. Your login credentials are the same username/email and password you use to log into www.keystonesymposia.org.

Quick view of all menu items

2.

The app will prompt you to accept notifications on behalf of KS Connect. This is recommended, as notifications will alert you to important information, such as changes in the program or messages from other attendees.

3.

Edit your photo, and bio information in Profile Details (iOS), or Personal Details (Android).

iOS – tap the "More" icon, then "Settings." Select "Account Details."

Android – tap Menu icon in top-left, then "Settings." Select "Account Details."

4.

Tap the events button to view upcoming events. Select your meeting from the list. Tap the agenda button at the top of the screen to view the program.
